WanderWise Travel Guide

Sample Knowledge Document for a RAG Travel Assistant

This fictional travel document is designed for testing document loading, chunking, embedding, and question answering in a Retrieval-Augmented Generation (RAG) project. All policies, details, and itineraries below are invented for practice.

1. Booking and Cancellation Policy

Travel packages can be booked online or through a WanderWise travel advisor. A booking is confirmed after the traveler receives a confirmation email and the required deposit has been received. Cancellations made at least 30 days before the scheduled departure are eligible for a full refund, excluding any non-refundable airline or visa fees. Cancellations made 15 to 29 days before departure receive a 60% refund. Cancellations made fewer than 15 days before departure are non-refundable. Travelers may request one date change without a service fee if the request is submitted at least 30 days before departure. Any difference in airfare, hotel rates, or local transportation costs remain the traveler's responsibility.

2. Baggage Guidelines

For standard international packages, travelers may bring one checked bag weighing up to 23 kilograms and one cabin bag weighing up to 7 kilograms. Individual airlines may impose different baggage allowances. Travelers should verify the final allowance shown on their airline ticket.

WanderWise recommends placing medication, identification documents, electronics, and other essential items in cabin baggage. Travelers should not place passports, cash, or essential medications in checked baggage.

Oversized sports equipment, musical instruments, and additional checked bags may require special handling and additional airline fees.

3. Passport and Visa Requirements

Travelers are responsible for carrying a valid passport and obtaining any required visas. As a general travel-planning guideline, WanderWise recommends that a passport remain valid for at least six months beyond the planned return date.

Visa requirements depend on the traveler's nationality, destination, length of stay, and other factors. Travelers should verify requirements with the appropriate government or consular authorities. WanderWise does not provide non-refundable services.

WanderWise can provide general documentation checklists, but it does not issue visas or provide visa approval.

4. Airport Arrival and Transfers

--- Chunk 3 ---

For international flights, travelers should plan to arrive at the airport approximately three hours before departure. For domestic flights, travelers should generally arrive approximately two hours before departure. Packages that include an airport transfer will identify a meeting point in the final itinerary. Travelers will wait up to 60 minutes after the scheduled flight arrival time. Travelers experiencing delays should contact the local transfer coordinator as soon as possible.

If a traveler misses an included transfer because of an unreported delay, replacement transportation will be arranged at the traveler's expense.

5. Hotel Accommodation

Standard packages include a private hotel room with daily breakfast unless the itinerary specifies otherwise. Check-in is normally available from 3:00 PM, and check-out is normally required by 11:00 AM. Early check-in and late check-out are subject to hotel availability and may involve additional charges. Upgrades can be requested before departure but are not guaranteed until confirmed by the hotel. Travelers should report room problems to the hotel front desk first. If the issue cannot be resolved, travelers may contact the WanderWise local support coordinator.

6. Sample Seven-Day Italy Itinerary

Day 1: Arrive in Rome, transfer to the hotel, and attend an evening orientation walk.

Day 2: Guided visit to major historic areas of Rome, followed by free time in the afternoon.

Day 3: Morning train from Rome to Florence. Afternoon walking tour of central Florence.

Day 4: Free day in Florence. Optional countryside excursion may be purchased separately.

Day 5: Train from Florence to Venice. Evening canal-side orientation walk.

Day 6: Guided Venice highlights tour, followed by free time for shopping and sightseeing.

Day 7: Hotel check-out and scheduled airport transfer for the return flight.

7. Travel Insurance

Travel insurance is not automatically included in standard WanderWise packages. Travelers should consider coverage for trip cancellation, trip interruption, emergency medical treatment, and lost baggage.

Insurance policies differ in exclusions, deductibles, and claim procedures. Travelers should read the policy wording carefully before purchase. WanderWise does not make decisions on insurance claims. A traveler who purchases third-party insurance should keep receipts, medical documentation, and other supporting records that may be needed for a claim.

8. Emergency and Customer Support

General customer support is available Monday through Friday from 8:00 AM to 8:00 PM Eastern Standard Time at support@wanderwise.example.

--- Chunk 4 ---

Travelers who are currently on a Wanderwise trip receive a 24-hour emergency contact number and itinerary. The emergency line should be used for urgent problems such as missed transfers, accommodation issues, lost travel documents, or major itinerary disruptions. Non-urgent requests, including optional tour questions and future booking changes, should be handled through regular customer support.

9. Payment Methods

Wanderwise accepts Visa, Mastercard, American Express, and bank transfer for most travel packages. A deposit of 20% of the package price is required to confirm a standard booking. The remaining balance is due 45 days before departure. If a booking is made fewer than 45 days before departure, the full amount is due at the time of confirmation. Prices are displayed in U.S. dollars unless otherwise stated. Travelers are responsible for any applicable taxes, fees or currency conversion charges imposed by their bank or card provider.

10. Frequently Asked Travel Questions

Q: How early should I arrive for an international flight?

A: Approximately three hours before departure.

Q: How much checked baggage is included in a standard international package?

A: One checked bag weighing up to 23 kilograms, subject to the operating airline's final rules and regulations.

Q: When is the remaining trip balance due?

A: The remaining balance is due 45 days before departure.

Q: Is travel insurance included?

A: No. Standard packages do not automatically include travel insurance.

Q: Can I cancel my trip and receive a refund?

A: Refund eligibility depends on how many days before departure the cancellation is made. For standard packages, at least 30 days before departure qualify for a full package-price refund, excluding special rates and add-ons.

Q: What time is normal hotel check-in?

A: Standard hotel check-in is normally from 3:00 PM.

Q: Who should I contact during an urgent problem while traveling?

A: Use the 24-hour emergency contact number provided in the final itinerary.

Suggested RAG Test Questions
