

StayWise Hotel Booking Guide

Sample Knowledge Document for a Hotel Booking RAG Assistant

This fictional document is designed for testing PDF loading, chunking, embeddings, vector retrieval, and grounded question answering. All hotel names, policies, prices, contact details, and examples are invented for software-development practice.

1. Reservations and Confirmation

Guests can reserve rooms through the StayWise website, mobile application, or customer support desk. A reservation is confirmed only after a confirmation number is issued. The confirmation includes the hotel name, room type, check-in date, check-out date, number of guests, nightly rate, taxes, and cancellation conditions. Guests should review the confirmation immediately and report incorrect dates or guest details before arrival.

2. Check-in and Check-out

Standard check-in begins at 3:00 PM local hotel time. Standard check-out is by 11:00 AM. Early check-in may be requested but depends on room availability and is not guaranteed. Late check-out may be available for an additional fee. Guests arriving after 10:00 PM should notify the hotel so the reservation is not mistakenly treated as a no-show.

3. Cancellation and Refund Policy

Flexible-rate reservations may be cancelled without a hotel cancellation fee until 6:00 PM local hotel time two days before arrival. If a flexible reservation is cancelled after that deadline, the hotel may charge the first night's room rate plus applicable taxes. Non-refundable reservations cannot normally be cancelled for a refund. If the hotel itself cancels a confirmed booking and cannot provide a comparable room, the guest receives a full refund of amounts paid to StayWise for that booking.

4. Room Types

Standard Queen rooms include one queen bed and are intended for up to two guests. Double Queen rooms include two queen beds and may accommodate up to four guests. King rooms include one king bed and are intended for up to two guests. Family Suites include a separate sleeping area and may accommodate up to five guests. Accessible rooms may include roll-in showers, grab bars, lower fixtures, or other accessibility features. Guests requiring a specific accessibility feature should confirm it directly before arrival.

5. Payment and Deposits

StayWise accepts Visa, Mastercard, American Express, and Discover for most bookings. Some hotels also accept debit cards at check-in. A valid payment card is normally required to guarantee a reservation. The hotel may place a temporary authorization hold for the estimated room charges plus incidentals. The final amount charged can differ from the authorization hold because of taxes, parking, dining, minibar purchases, damages, or other approved hotel services.

6. Security Deposit and Incidentals

Participating hotels may require an incidental deposit at check-in. A typical incidental authorization is 100 US dollars per stay, although individual properties may use a different amount. If no additional charges are incurred, the hotel releases the unused authorization after check-out. The guest's bank determines how quickly the released amount becomes available again.

7. Breakfast, Wi-Fi, and Amenities

Complimentary Wi-Fi is included at all StayWise partner hotels in this sample program. Breakfast is included only when the selected rate or hotel description specifically says breakfast included. Some properties offer a fitness center, swimming pool, business center, airport shuttle, or on-site restaurant. Amenities can be temporarily unavailable because of maintenance, weather, private events, or local restrictions.

8. Parking and Transportation

Parking rules vary by property. Some hotels provide free self-parking, while city-center properties may charge a nightly parking fee. Valet parking, when offered, is usually charged separately. Airport shuttle service is not automatically included with every reservation. Guests should check the individual hotel description to confirm shuttle hours, pickup locations, reservation requirements, and fees.

9. Children and Extra Guests

Children under 12 may stay free when using existing bedding in a parent or guardian's room, subject to the room's maximum occupancy. Rollaway beds and cribs are available only at selected properties and may require an additional fee. Guests must include all adults and children in the reservation so the hotel can assign a room that complies with occupancy and safety limits.

10. Pet Policy

Pet policies vary by hotel. Hotels marked Pet Friendly may allow up to two domestic dogs or cats per room. A sample pet fee is 40 US dollars per stay. Service animals are handled according to applicable law and hotel policy. Guests should contact the property before arrival if they are traveling with an animal because size limits, restricted areas, cleaning fees, and documentation requirements can differ.

11. No-show and Late Arrival

A guest who does not arrive on the scheduled check-in date and does not cancel may be classified as a no-show. For flexible reservations, a no-show may result in a charge equal to the first night's rate plus taxes. For prepaid non-refundable reservations, the full prepaid amount may remain non-refundable. Guests expecting to arrive late should contact the hotel before the front desk's late-arrival cutoff.

12. Modifying a Reservation

Guests may request changes to dates, room type, or number of guests before arrival. Changes are subject to availability and current prices. If a guest moves a reservation to dates with higher rates, the guest pays the difference. Promotional or non-refundable rates may restrict modifications. Changing the primary guest name may require identity verification.

13. Sample Hotel Listing - Harbor View Hotel

Harbor View Hotel is a fictional waterfront property located near a downtown convention district. Standard Queen rooms start at 159 US dollars per night before taxes. Check-in begins at 3:00 PM and check-out is by 11:00 AM. Wi-Fi and fitness-center access are included. Breakfast costs 18 US dollars per adult unless included in the booked rate. Self-parking costs 25 US dollars per night. The hotel is pet friendly and charges a 40 US dollar pet fee per stay.

14. Sample Hotel Listing - Mountain Pine Lodge

Mountain Pine Lodge is a fictional leisure property near hiking trails and a ski area. Double Queen rooms start at 139 US dollars per night before taxes. Complimentary breakfast and self-parking are included. The seasonal outdoor pool operates from May through September. Pets are not permitted except where required by applicable service-animal rules. A complimentary local shuttle operates from 7:00 AM to 9:00 PM within a five-mile radius.

15. Customer Support

StayWise booking support is available daily from 7:00 AM to 11:00 PM Eastern Time at help@staywise.example. Guests who are already checked in should first contact the hotel's front desk for room, maintenance, housekeeping, or on-property billing issues. If the hotel cannot resolve a booking-related problem, the guest may contact StayWise support and provide the reservation confirmation number.

16. Frequently Asked Questions

Q: What time is standard hotel check-in?

A: Standard check-in begins at 3:00 PM local hotel time.

Q: What time is check-out?

A: Standard check-out is by 11:00 AM.

Q: Is breakfast always included?

A: No. Breakfast is included only when the selected rate or hotel description specifically states that it is included.

Q: Can I cancel a flexible reservation?

A: Yes. In this sample policy, a flexible reservation can be cancelled without a hotel cancellation fee until 6:00 PM local hotel time two days before arrival.

Q: Is Wi-Fi included?

A: Yes. Complimentary Wi-Fi is included at all StayWise partner hotels in this sample program.

Q: Can I bring a pet?

A: Only at hotels whose policy permits pets. Pet fees and restrictions vary by property.

Q: What happens if I arrive late?

A: Guests arriving after 10:00 PM should notify the hotel to help prevent the reservation from being treated as a no-show.

Suggested RAG Test Questions

- What time can I check into the hotel?

- Can I cancel a flexible booking without a fee?
- Is breakfast included with every reservation?
- How much does parking cost at Harbor View Hotel?
- Which sample hotel includes free breakfast?
- Does Mountain Pine Lodge allow pets?
- What happens if I do not show up for my reservation?
- How does the incidental deposit work?
- Can I change the dates after booking?
- Who should I contact for a housekeeping problem after check-in?

Practice note: This document contains fictional policies and hotel information created only for RAG and software-development practice.
